

Industrial Products

AHC Hardwood Group introduces a new industrial product division. From heat-treated grooved runners, to custom blocking, stacking sticks, and bolsters, AHC can provide industrial products in cut-to-length profiles. We offer custom solutions to your packaging and customer needs to protect your products better and reduce packaging costs.

HIGHLIGHTS:

- Heat-treated with HT stamp
- Cut-to-length
- Custom thicknesses, widths, and lengths available
- Custom groove sizes available
- Multi-grooves available with 3/4" and 1-1/4" banding grooves on opposing faces
- Cut-to-length available for up to 6" x 6" thickness and width
- Species options are mixed hardwoods and southern yellow pine
- Textured faces available to reduce slippage
- Partial loads and full loads available
- Units are palletized and stretch wrapped
- Ability to ship with lumber and millwork to control inventory volumes
