

Stair Treads & Risers

At AHC Hardwood Group, we offer high-quality solid wood stair components, including Red Oak and White Oak treads, with matching risers available in Red Oak, White Oak, and Poplar. Need something unique? We can provide custom orders in virtually any hardwood species for both treads and risers.

QUALITY & CRAFTSMANSHIP:

- ✓ Solid staves run the full length of the tread (max 6 staves)
- ✓ Staves are well-matched for color and grain
- ✓ Tread nosing & face are clear, free of sapwood
- ✓ Reverse side may allow natural imperfections that do not affect structural integrity
- ✓ Face sanded with 150-grit paper for a smooth finish

STOCK SPECIES:

- Treads: Red Oak, White Oak (stock)
- Risers: Red Oak, White Oak, Poplar (stock)
- Custom orders available in other hardwood species

Visit us online at www.hardwoodweb.com to find a representative, and call us today for inquiries or custom orders!
